FIRE PUMPING UNIT

Citizens of North Saanich will be glad to know that sufficient money has now been promised canvassers for funds to purchase fire-fighting equipment to buy the pump unit already decided upon, costing \$725.00 f.o.b. Vancouver. The most of this sum is now in the bank and the fire protection committee expects practically all of the promises in this month. In the meantime the survey and canvass continues, as additional finance is required for hose and other equipment.

The fire truck has been on the road for test runs and is in first class working order.

Until funds are raised to purchase hose the committee has secured the loan of approximately 1,000 feet. Three thousand feet of hose is the amount required to be sure of reaching water in some parts of the district.

The canvass is being continued in all sections of North Saanich and it is expected that enough actual cash will be on hand in a few days to pay cash for the pump and thus secure the two percent discount, which will amount to some \$14.00.

Firechief Critchley plans to call all units of the fire brigade together as soon as the pump arrives, for instruction and demonstration.

THE LOOK-OUT

In last issue we expressed the hope that Alex. McDonald, M.L.A., J. F. Baker and J. J. White would join Col. C. W. Peck, V.C., D.S.O., to immediately ascertain just what can be done regarding the proposition of securing the property at the top of the Experimental Farm Hill for a look-out parking area and small park.

The gentlemen mentioned have all gladly offered their co-operation and Col. Peck and this little group will likely act immediately.

The view from the top of the Experimental Farm Hill is one of the best on the Pacific Coast we have been informed by many travellers and if this group of public-spirited citizens can discover a way of securing this site for the purpose already mentioned they will be the means of instituting something that will give pleasure to thousands and thousands of travellers in the days to come.

"FLORAL" HIGHWAY

We are in receipt of still another endorsement of our idea of a "Floral" highway between Sidney and Victoria and the preservation of beauty spots on the Peninsula. Here is a copy of a letter from Victoria:

The Editor,

Sidney, V.I., B.C.

Dear Sir:

We would like to congratulate you on the work you are doing to secure the preservation for the public of beauty spots at this end of the Island.

We hope your action will be most successful.

Yours very truly,

One of the outstanding points on the highway mentioned is now receiving attention with the idea of making a look-out parking area and small park.

PACIFIC COAST NEWS

Pacific Coast News, The B.C. Fishermen's Weekly, published by the Pilot Publishing Co. Ltd., at Flack Block, 163 West Hastings Street, Vancouver, B.C., is the latest weekly newspaper to be issued in British Columbia. It is a bright little four-column paper devoted to the interests of B.C. fishermen and contains interesting articles and information relating to the fishing industry. We extend congratulations to the editor in turning out such a publication and trust the venture will prove well founded.

Be careful with fires on the beach these days! Little Shell Island was burnt over on Saturday, likely through carelessness of some party with a fire on the beach. The grass is very dry and no chances should be taken.

The Gulf Islands are lovely at this time of the year for outings. The Islanders will welcome you royally. Let's spend a few days there!

LOCAL CHURCH R. B. SWAILES GET TOGETHER TO SPEAK HERE MUCH ENJOYED

A very happy time was spent by the members of Saint Andrew's congregation and their friends on Monday evening when a congregational "get together" was held in the lovely grounds of Mr. and Mrs. Whiting on Sixth Street. The garden was lighted with strings of Chinese lanterns, which greatly added to their beauty. The choir and Sunday School were in charge of the entertainment which consisted of part songs and choruses by the choir, and a playlet, "The Frog Prince" (written by Mrs. Gwynne, a well known local lady) by the Sunday School. The wet lots of the Sunday School brought the program to a close when they appeared in their nightgowns with lighted candles to sing "Jesus Bids Us Shine," and "Jesus Loves Me." Refreshments were then served.

Many of the congregation took this opportunity to welcome back their rector, Mr. Hughes, who has just returned from a trip to the Old Country.

Among the many friends those in charge were glad to see Rev. Mr. Payne, who has been in charge during Mr. Hughes' absence and it is hoped Mr. Payne will remember Saint Andrew's and often visit here again. The committee in charge would like to take this opportunity to express their sincere thanks to Mr. and Mrs. Whiting for the generous use of their house and grounds and to the Boy Scouts who made themselves generally useful.

The children taking part in the playlet were:

Princess Mignon — Dorothy Brethour.

Princess Rosetta — Eileen Villers.

Princess Una — Muriel Mounce.

Fairy Queen — Audrey Le Vack.

Frog Prince — Kitty Hammond.

RECENT BRIDE IS HONORED

Mrs. Lloyd Albee (nee Mary Thornley), who is leaving on Thursday to join her husband in Southern California, was feted on Friday evening, when Mr. Walter Jones, officer-in-charge at the Dominion Plant Pathology Laboratory, entertained in her honor at his home on McTavish Road. Sixteen guests were present and a very enjoyable time was spent.

During the supper period the guest of honor was toasted by her many well-wishers, followed by a presentation of a brown leather initialed travelling case, a gift from the members of the staff of the Laboratory, with which she has been associated for the past five years. The presentation was made by Dr. E. A. Bruce, who in a few words expressed the wishes of all for her future happiness.

The guests included the staff, Dr. Bruce, R. J. Hastings, W. R. Foster, H. S. McLeod, Howard Edwards, Walter Touzeau, Jack Boshier and Arthur Eastham, as well as a number of other friends, Mrs. E. A. Bruce, Miss Louise Patterson, Miss Gertrude Straight, Misses Dorothy and Zoe Bruce, and E. C. Reid and Mr. Hessel.

21ST BIRTHDAY CELEBRATED

BEAVER POINT, Aug. 7. — Celebrating the coming of age of their younger son, Samuel J. Reddis, Mr. and Mrs. Lionel Reddis, of "Dee Vale," Salt Spring Island, entertained a number of their friends at a very enjoyable beach party, first at their beach and later in the day at J. Royal's bay, where the younger folks swam and boated until the end of the birthday spread when Sam Reddis cut his candle-decked cake and good wishes again became the order of the day. Songs in the home of his parents during the evening were the closing note on this eventful day.

The guests included Mrs. Grover and Miss Muriel Grover of Manistota, Miss Phoebe Reddis, Miss Norah Knowles, Mrs. Bromley and little daughter Sybil, Vancouver visitors: Mr. and Mrs. J. Royal with their son Dick, Mr. and Mrs. E. Parsons, Robby Reddis, Mr. and Mrs. Clive Justice, Lionel Reddis, Beverly and David Justice, Mr. and Mrs. Almer Reddis, G. T. Hillier and Frank Hillier.

A C.C.F. campaign meeting will be held on Monday, Aug. 12th, in the Clubhouse, Third Street, at 8 p.m., when R. B. Swailes, M.L.A., will be the speaker. It is expected that there will be a good turnout to hear him.

IMPRESSIVE GRADUATION CEREMONIES

On Monday evening last, it was the privilege of a large assembly of friends from far and near, with members of the Rest Haven Sanatorium and Hospital staff, to witness graduation exercises of the tenth class of senior students.

The spacious lounge in which this annual event took place presented a picture of beauty charming to the eye of the beholder. The platform and sides of a large dais with its graceful decoration in shell pink and meadow green were banked around with a magnificent display of massed flowers in basket and vase, exhibiting a blaze of variegated color resplendent in riotous effect. Above this in harmonious setting appeared the motto of the class: "Christ Our Portrait."

In his address, Pastor Charles S. Longacre of Washington, D.C., uplifted Christ as the Master-Physician, who "went about doing good and healing all manner of disease," as the One whose example should ever be followed by members of the class. In finding their places of medical ministry in a world of suffering and heartache, the speaker exhorted them never to commercialize the nursing profession by the exercise of ambition to make money. Beyond this there must ever be manifested in their lives love and power to serve humanity.

Appropriate remarks were made by Dr. Burden, medical superintendent, in presenting diplomas to the following graduates: Lillian Simpson, Nettie Trinchuk, Ida May, Jolin, Pearl Johnson, Marie Baegg and Elizabeth Marie Baegg. Mrs. Amy Courser, R.N., superintendent of nurses, undertook the pinning of the badges. Following the pronouncement of the benediction by H. A. Shepard, business manager, members of the class and visitors repaired to the recreation room to view a large number of lovely gifts—tributes of appreciation to the graduates from patients and friends.

The program presented consisted of the following items: Processional march—Miss Gertrude Straight. Invocation—H. G. Burden, M.D. Vocal solo—R. Hampton. Address—Pastor C. S. Longacre. Violin duet—Mr. and Mrs. S. Jewkes. Presentation of diplomas and pins—H. G. Burden, M.D.; Mrs. C. F. Courser, R.N. Vocal solo—R. Hampton. Benediction—H. A. Shepard.

COADJUTOR VISITS AT S. ANDREW'S

In commemoration of the 25th anniversary of Saint Andrew's Church a very special service was held at 7 p.m. on Sunday evening when the Bishop Coadjutor, Rt. Rev. H. Sexton, delivered an address before a congregation which packed the church to its doors. The service was conducted by the rector, Rev. T. M. Hughes, who has just returned from England, assisted by Rev. H. S. Payne.

Lovely decorations marked the occasion and were set off by the beautiful new altar curtains, a gift from the Church Guild, which were in their place for the first time at this service.

After the service a reception was held at the home of Mr. and Mrs. John Matthews, when a large number of the congregation took the opportunity to meet the Bishop Coadjutor and Mrs. Sexton, and also to welcome home their rector.

Refreshments were served to those assembling and a very pleasant time enjoyed. The committee in charge would like to express their thanks to Mr. and Mrs. Matthews for the loan of their home for this occasion.

TWENTIETH PLAN PICNIC

The 20th Century Liberal Club members met before Aug. 6th and plans for the convention at Duncan, Saturday, Aug. 17th, were made.

It was also decided to hold a beach party at the old chimp beach Friday, Aug. 9th, at 8 p.m., when final arrangements for the convention will be made. All members and friends are asked to be present.

SIDNEY MAN IS BELIEVED DROWNED

On Tuesday, July 30th, Earl L. McKenzie left Qualicum Beach for a fishing trip to the south end of Hornby Island and has not since returned and all hope of his doing so has been abandoned since his boat was found drifting upside down with the outboard motor in contact and in position for running.

There was a severe and sudden squall the day of the mishap and it is almost certain that he was caught about two-thirds of the way over (the island being 10 miles distant) with the gas tank empty and it is thought that he was thrown overboard when attempting to replenish the gas.

The wreck was found by a fisherman about a half mile off Flower Island, which is a rocky island south of and near Hornby Island.

Mr. McKenzie was 43 years of age and leaves his wife and daughter, Eileen, in Sidney, and a sister in Chicago.

He spent the early part of his youth in Winnipeg and Medicine Hat. At the front in the Great War he was wounded several times. He was an expert with a boat and an excellent swimmer, so it is figured that the tiny boat had no chance in the huge waves that can spring up quickly in a stiff wind in that locality.

Mr. McKenzie was well-known to many throughout the Peninsula and Islands, having for years been proprietor of the Sidney Super Service Garage. The news of his disappearance in the storm has come as a profound shock to his family and friends.

JOLLY DANCE AT GANGES

POTATO PLOTS INSPECTED

The 12 plots in the Junior Potato Club Contest sponsored by the North and South Saanich Horticultural Society were inspected last week when the club held a field day, the members making the round of the plots with the inspector.

The judging was carried out by Walter Johnston, assisted by S. McLeod, district inspector. Excellent plots were seen and it is reported that markings were very close. Final scores will, of course, not be made known till the crop is harvested.

After visiting a number of the plots in the morning the party returned to the Experimental Station park at noon where all were entertained to lunch, before concluding the tour in the afternoon.

W. Jones, pathologist in charge at the Laboratory of Plant Pathology, explained various potato diseases as the party progressed.

Other members of the group to visit the plots included E. L. Hall of the Experimental Station, who is convener of the contest and a number of the executive of the Horticultural Society, J. J. White, Mrs. E. W. Hammond and Alex. McDonald, M.L.A.

SUMMER FETE WEDNESDAY

All residents of the district are invited to join the members of the United Church Ladies' Aid on Wednesday next, Aug. 14th, when they will entertain at their annual summer garden party at Roberts Bay Inn, kindly loaned for the afternoon by Mr. and Mrs. J. T. Simister.

A program of various items being arranged by Mr. Parsons of Victoria will add greatly to the enjoyment of the afternoon and will no doubt attract many.

Many stalls with capable managers will provide a difference in attire than is usual at such a day, and have been arranged for the children during the tea hour.

You are again invited to be present and enjoy a pleasant afternoon.

GALIANO C.C.F. CLUB NOTES

GALIANO, Aug. 7. — The regular monthly meeting of the Galiano C.C.F. Club was held in the hall on Saturday, Aug. 3rd, several visitors being present.

There was an enthusiastic response to an appeal for funds for Nanaimo Federal C.C.F. campaign, the general opinion being that J. S. Taylor is the man to represent the district in the Federal House. At the conclusion of the meeting a visitor from Victoria addressed the members on the fine spirit of co-operation that was in evidence throughout the proceedings, and also congratulated the club in having such an experienced and able chairman in the person of Commander Anderson to lead the members in their activities.

ANGLICAN CHURCH FETE IS ENJOYED

By Review Representative

PENDER ISLAND, Aug. 7. — The parish funds of the Anglican Church were augmented by a very gratifying sum as the result of the garden fete held at Port Washington on Wednesday afternoon. Opened at 2 o'clock by Mrs. Cummings, secretary of the Diocesan Board Women's Auxiliary, in a most charming manner, the affair was largely attended and the many stalls and attractions were well patronized. The location chosen was the Tennis Club grounds and many sets of tennis were enjoyed throughout the afternoon. Clock-golf, Aunt Sally, a shooting gallery, and guessing contests were other features.

Afternoon tea was served under the direction of Mrs. J. B. Bridge, Mrs. N. N. Grimmer, Mrs. P. H. Grimmer and their assistants; a fancy-work stall with Mrs. Porter and Mrs. Foster in charge was practically sold out, while stalls with plants and flowers and used articles also found ready sale. A dressed doll was won by W. B. Johnston, while a delicious cake was won by Mr. Farquharson.

Persons from Mayne, Galiano, Prevost and Gossip Islands, and from Victoria, joined in the day's attractions.

P.I. Softball League

HOW THEY STOOD AT THE FINISH

	Won	Lost
Saanichton	14	6
North Saanich Service Club	13	7
Sidney Athletic Club	11	9
James Island	11	9
Twentieth Century Liberal Club	10	10
Cougars	1	19

The Athletics playing Saanichton at Saanichton lost a close game to the latter in play featured by spectacular fielding on both sides. Again the Athletics lost to North Saanich at Sidney in a 12-inning game, 7-6, that was played to determine a winner owing to a 6-6 tie in a 12-inning game played before. The winning run was a home-run by Wes Jones. The Athletics had a man on third when there was two down and the batter hit to shortstop for the putout at first.

Owing to these two losses James Island was again in the running for third place and played a sudden-death game with Athletics on the North Saanich diamond, a neutral field being chosen, winning a close game that was featured by few errors and good ball on both sides.

Tonight James Island meets North Saanich at Sidney in a sudden-death game to decide the team to play the league-leading Saanichton nine.

The winners of the game tonight will play Saanichton for the championship of the Peninsula-Islands League. If there is time the play will be the best two out of three, home and home games and, if necessary, the third game at Sidney. The first game will be played tomorrow night, at either James Island or North Saanich, if more than one game is played. If time only permits a sudden-death game same will take place on the Sidney diamond tomorrow night, Thursday, Aug. 8th.

PRIZE WINNERS

Careful checking of score sheets by Stewart Hill, league statistician, reveals that Ralph Michell, star hitter on the Saanichton team, made more hits than any player in the league during the season, swatting the pill 59 times out of 87 times at bat. He will receive a nice picnic ham from Cowell's Meat Market.

In checking home-runs for the last ten games the score sheets indicate that Roper of James Island poked out four home runs, followed by three home-runs by Ken Reid of Saanichton. Mr. Roper will receive a prize from Mrs. Hugh J. McIntyre.

KNOCKOUT GAMES

Poodle Dog Cup

Wednesday — N.S.S.C. won from Esquimalt Meat Market in a ten-inning game. The game was disputed by Esquimalt, however, and has been ordered replayed at North Saanich, the date of game has not been decided.

Thursday — James Island trimmed Spencer's 10-3.

Monday — N.S.S.C. dropped a 5-3 game to Spencer's.

Calvert Cup

Thursday — N.S.S.C. won from the Young Liberals of Victoria at North Saanich, 22-10.

Friday — Saanichton dropped a 13-4 game to the Brundson's Boys at Saanichton.

Monday — James Island lost to Silent Glow 11-1.

CONGRATULATIONS TO CHUCK

Chuck Cunningham, local member of the Victoria Y.M.C.A. track team, captured the mile race at the Canadian Games in Vancouver on Saturday, Aug. 3rd. Chuck is the boy playing centre field on the N.S.S.C. softball nine. You can distinguish him by that big smile he packs around.

"It was worthless until properly advertised"

For a long time it was a failure. No one would buy a Gillette Razor. In desperation King C. Gillette began giving razors away. But it did no good.

It was not till nearly ten years later, when an advertising expert came along that Gillette Razors began to boom. In a few years Gillette was a rich man. His company came to have a capital of £6,000,000, with a profit of £1,500,000 and factories all over the world.

One fact stands out: THE IDEA WAS WORTHLESS UNTIL PROPERLY ADVERTISED.

Why shouldn't you benefit by advertising? Harness the "power of the Press" to your own problem. Tell people about your product or service. And keep telling them! It's the 'hammer, hammer, hammer' that brings the business in. Remember —

"SPIRIT" will be the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday.

The Golden Text is: "He that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting" (Galatians 6: 8).
Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Now we have received, not the spirit of the world, but the spirit which is of God; that we might know the things that are freely given to us of God" (1 Corinthians 2: 12).
The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Material sense never helps mortals to understand Spirit, God. Through spiritual sense only, man comprehends and loves Deity."

B.C. BUSINESS SUMMARY ISSUES REPORT

Following is the latest business summary of our local province issued by the Bank of Montreal:

Wholesale and retail trade and shipping are hampered by the continuance of the waterfront strike, although ships are being discharged and loaded under police protection. Collections are fair to good. The building industry is much more active than a year ago. Crop conditions on the mainland show improvement following the recent heavy rains, but yields, generally, will be less than last year. Pasture is plentiful and grass-fed cattle are ready for market. Prices are slightly above those offered in July, 1934. Lumber exports to the United Kingdom and the Continent are fair, but owing to the uncertain outlook as regards tariffs, exports to Japan are negligible at present. Shingle mills are operating at capacity on orders from the United States. Fir logs are plentiful at reduced prices. Metalliferous mining is active. The salmon pack to date is considerably lower than that of last year.

They planned to hold an "Inch Measure Tea," a novel idea suggested by one of the members. The tea will be held on Thursday afternoon, Sept. 12th, at the home of Mrs. W. M. Mout, Ganges. A musical program will be arranged. Instead of paying the usual tea charge, the amount will be collected from the waist measurements.
Tea hostesses for the afternoon were Mrs. E. Parsons and Mrs. S. Wagg.

REVIEW — SIDNEY, B.C.

"You can't stop stoking a steam engine" said Wrigley

Interviewed, and asked to what he attributed his phenomenal success, the late Mr. Wrigley, of chewing gum fame, replied, "To the consistent advertising of a good product."
"But," asked the reporter, "having captured practically the entire market, why continue to spend vast sums annually on advertising?"
Wrigley's reply was illuminating.
"Once having raised steam in an engine," he stated, "it requires continuous stoking to keep it up. Advertising stokes up business and keeps it running on a full head of steam."

This applies to your business, too. Don't make a secret of your product. Tell people all about it. Tell them what it does. Tell them its advantages. Tell them where to get it. Tell them through the Press and keep on telling them.
